

# SUMMERSET FIRE PITS

Now you can have all the warmth and comfort of your living room in your own backyard. All SummerSet Professional Fire Pits are constructed with rust-resistant 1" x 1" welded-steel framing. Fire Pits include installation lines, fire glass, a stainless steel access door and a high-quality 110,000 BTU, #304 stainless steel burner. All fire pits are available in porcelain or granite tops, and with stucco or Ameristone finishes.
